

Secret Santa 2012

The students must sign up to participate by Wednesday, November 28th. All students need to fill out a sheet explaining their likes and dislikes. If they choose to not participate they must write NO behind their name. They will sign up with their class presidents.

The Secret Santa will run from December 10-14 (Monday through Friday). Students may spend anywhere from \$10 -\$15 for the week of Secret Santa - this includes all of the small gifts for the first four days and the large gift on Friday.

If a student chooses to participate they are making a commitment to this event. They must buy appropriate gifts for the person they received. Dead flowers, weeds, half eaten food items are not appropriate.

On Friday, December 14th, the students will then have a revealing party identifying them to the person they have been giving gifts to all week. The following times are the party times:

- Junior High Students at 2:30 to 2:50pm
- High School Students at 2:55 to 3:15pm

Don't reveal yourself until after we play the revealing game at the party!

Thank you for participating in Secret Santa 2012!
